Freedom of Information: Quarterly Compliance Statistics

Last updated May 2025

This report summarises how the University met its statutory obligations for the period of January 2019 to March 2025. The report covers compliance with the Freedom of Information Act 2000 and Environmental Information Regulation 2004, as part of our annual reporting to the University's Audit Committee. We are publishing this data in line with the Information Commissioner's Office [guidance](#).

The figures provided below show the number of Freedom of Information Act requests and Internal Reviews responded to and the percentage of those responses that were within the 20-working day response time.
